1. RENT/MORTGAGE PROTECTION SAVINGS

Rent/Mortgage Protection *is a type of investment that can help you pay your Rent/mortgage in the event that you are unable to make your payments due to unforeseen circumstances such as illness or job loss. This type of savings typically covers the policy holder for a specified period of time, providing financial support to help them keep up with their rent or mortgage payments.*

Rent/Mortgage Protection *can give you peace of mind knowing that you and your family are protected in the event of a financial hardship. It's important to note that Rent/Mortgage Protection is different from mortgage insurance, which is typically required by lenders to protect them in the event that a borrower defaults on their mortgage payments.(30% to 50% of salary, 1% deduction during collection)*

3. FIXED INDEX ANNUITIES(FIA)

A fixed indexed annuity (FIA) *is a contract between an individual and an investment company. It is a type of annuity that provides a guaranteed minimum interest rate, along with the potential for additional interest based on the amount of an underlying investment.*

FIAs *are designed to offer a balance between the security of a fixed annuity and the potential for higher returns of a variable annuity. The interest credited to the annuity is based on the performance of an underlying investment, but there is a cap on the amount of interest that can be earned.(10m to 500m with 12months 35% interest)*

4. RECURING DEPOSIT INVESTMENT(RDI)

Recuring Deposit Investment (RDI) *is a type of investment policy rider that pays out monthly interests after the initial investment is been fixed for 180days with a 2 years contract term.*
This deposit invested guarantees a 30% interest that will be distributed monthly for the duration of 12month with a rollover benefit.

RDI *is designed to provide extra financial protection to the investor. At the end of the contract, the initial deposit is been released with the last interest balance.(25% or 3m to 7m for 12months)*
